Speaker Profile

Annie is an experienced CEO with more than 30 years of experience in various management positions and in management consulting. Prior to founding CEO mindPower™ Ltd, Annie has 13 years of chief executive experience leading blue chip international corporations in both local and regional roles. She was previously the General Manager of Kalm's in Hong Kong, the Regional GM of Greater China at Mattel, the Vice President of Greater China & South-East Asia of Warner Brothers, the Managing Director of Longman Education in Hong Kong.

In her CEO roles, she has had major achievements. At Mattel, she grew the business by 2 times, and was named as one of the world's top 7 GMs among 42 affiliates. At Warner Brothers, she was instrumental in launching the first Harry Potter licensing in Asia. At Longman Education, she achieved double digit growth and developed the first education support team in Hong Kong, while growing the general study subject segment by 300%. She was named as one of 'China's 100 Outstanding Female Entrepreneurs' in 2007 and was also named as one of 'China's 30 Most Creative Female Entrepreneurs' in 2010. Her expertise is in business consultancy, corporate training, and executive coaching.

Annie founded CEO mindPower™ 12 years ago and invented 2 models that were validated by the University of Hong Kong (HKU), receiving funding from the Hong Kong government's Innovation and Technology fund for the mindDer™ system. She and her team has had huge success over the years, with clientele spanning across 17 industries, such as finance and insurance, luxury and FMCG, real estate, and telecommunications.
